

Ad Tech Software Engineer

Are you looking for an opportunity to apply new advertising technologies to large, popular, high traffic websites and make a real and discernible difference to a business bottom line?

GRV Media is a high-growth, multi-platform new media company with a 16 year track record. It has 16 active websites (including brands such as HITC, The Boot Room, Reality Titbit and Rangers News), two popular YouTube channels and an Adtech business.

We are looking for an Ad Tech Engineer to provide support to our existing tech team and drive forward new ad tech solutions.

The role will include developing ad optimisation and dynamic pricing tools at the interface of the back and frontend. As such it will require full-stack knowledge and in particular with pure JS and Go.

The ideal candidate will be a detail orientated developer who writes well structured and supportable code. You will be a natural problem solver who is driven to learn new technologies. You will understand the need to fully QC your own code and are able to code check others work. You will be expected to hit the ground running. Experience and confidence is key.

GRV Media is a UK based, remote company and applicants are asked to apply only if they are prepared to work remotely and preferably have experience of doing so.

Main areas of responsibility:

- Take a lead on developing dynamic pricing strategies
- Manage front end javascript library
- Engage with ad ops team to develop new tools and evaluate the success of changes
- Contribute to and improve internal tooling and processes.
- Diagnose and resolve issues with client implementations

Key skills:

- Advanced JavaScript
- Go
- Experience of Big Data cloud platforms such as BigQuery would be a bonus.

Benefits

GRV Media Ltd.

Registered address: 18 Mulberry Avenue, Widnes, Cheshire, WA8 0WN

- Taking the lead on interesting projects with interesting people
- A competitive salary depending on experience
- Discretionary bonus scheme
- Company Pension contribution
- A professional but friendly working environment.
- 20 days paid annual leave, in additional UK bank holidays (or equivalent).

Applying

Apply via email using the link below. Include your CV, a little bit about you, some examples of projects you've worked on and why you'd like to work with us.
