

Video Producer

Are you an ambitious video producer or editor with online experience, looking to move up and possibly run your own team?

GRV Media is a high-growth, multi-platform new media company with a 16 year track record. It has 16 active websites (including brands such as HITC, The Boot Room, Reality Titbit and Rangers News), two popular YouTube channels and an Adtech business.

We are looking for a Video Producer to work with our existing talent to edit and brand content, and develop pipelines that make the most of our current content and open doors to new opportunities.

The role will include editing source videos for upload to YouTube and social. You will also be responsible for tracking and analysing video statistics to help the team develop strategies around video production and audience engagement.

GRV Media is a UK based, remote company and applicants are asked to apply only if they are prepared to work remotely and preferably have experience of doing so.

Main areas of responsibility:

- Help organize the team's day-to-day video output, with the ability to give relevant feedback and suggestions on content selections.
- Provide feedback, editorial suggestions, and copy editing for team members' videos
- Manage and contribute to video posting on YouTube and social platforms.
- Track video performance and communicate wins and growth strategies effectively.
- Provide overall project leadership and management.
- Help to source, secure, manage and oversee talent, vendors and production teams.

Key skills:

- A proven track record and comprehensive knowledge of video production for multiple platforms, with knowledge of production, video formats and experience in video editing
- Ability to manage multiple projects with overlapping schedules.
- Ability to give real-time feedback and editor expertise on peers' content and videos.
- Demonstrated curiosity in new formats and technologies.
- Works well under pressure, under tight timelines and turnarounds, in high stakes environments all the while maintaining a commitment to quality.
