# GRV MEDIA

# Javascript Developer (Ad Tech)

Are you looking for an opportunity to apply your javascript skills to large, popular, high traffic websites and make a real and discernible difference to a business bottom line?

GRV Media is a high-growth, multi-platform new media company with a 16 year track record. It has 16 active websites (including brands such as HITC, The Boot Room, Reality Titbit and Rangers News), two popular YouTube channels and an Adtech business.

We are looking for a Javascript Developer to provide support to our existing tech team and drive forward new ad tech solutions.

The role will include developing ad optimisation and dynamic pricing tools at the interface of the back and frontend. As such it will require proven experience of pure JS, ES6, Webpack and Gulp. Any experience with Ad Tech solutions such as Prebid would be advantageous.

The ideal candidate will be a passionate, detail orientated developer who writes well structured and supportable code. You will be a natural problem solver who is driven to learn new technologies. You will understand the need to fully QC your own code and are able to code check others work. You will be expected to hit the ground running. Experience and confidence is key.

With around 65 payroll and freelance contributors, GRV Media is a UK based, remote company. Applicants are asked to apply only if they are based in the UK, prepared to work remotely and preferably have experience of doing so.

**Main areas of responsibility:**
- Take a lead on managing our front end advertising javascript library
- Engage with the ad ops team to develop new tools and evaluate the success of changes
- Contribute to and improve internal tooling and processes
- Build client implementations
- Work with the CSM team to diagnose and resolve issues with existing client implementations

**Key skills:**
- Advanced JavaScript
- ES6

- Webpack
- Gulp
- Experience of Go, Prebid or Big Data cloud platforms such as BigQuery would be a bonus.

**Benefits**
- Taking the lead on interesting projects with interesting people
- A competitive salary depending on experience
- Discretionary bonus scheme
- Company Pension contribution
- A professional but friendly working environment.
- 20 days paid annual leave, in additional UK bank holidays (or equivalent).
