

## TRAINEE FOOTBALL WRITERS - PAID POSITIONS

[GRV Media](#) is looking for football writers to join its Football Academy.

We are looking for six trainee writers to cover Liverpool, Rangers, Celtic, West Ham, Newcastle United and Wolves. To be a candidate for one of these roles you will need to be a genuine fan of one of the clubs mentioned, and be able to demonstrate the ability to write accurate, creative and shareable content.

The Academy will run for an initial one month period, with writers who demonstrate that they can add value being offered further writing, community engagement or social media opportunities within the GRV network.

This is a genuine opportunity for recent graduates and those looking for their first job in the industry. The main thing we are looking for are writers with fresh and engaging content ideas, in-depth knowledge about their club, and a passion for writing about football.

Writers will be expected to produce post-match coverage, so some evening hours may be necessary.
