

PAID STUDENT / RECENT GRADUATE POSITIONS IN ENTERTAINMENT MEDIA

News and trending reporters

We have a number of paid freelance, part-time positions available for current students or recent graduates who are looking for entry positions in journalism. These positions could lead to full-time employment.

To be candidates for these roles you will be studying or have completed a degree in journalism or a related field, and have a basic understanding of media law through courses.

You will have experience in undertaking research and writing tasks, have the ability to operate in a fast-paced newsroom-type environment, and have an all-round knowledge of celebrity and entertainment news - from TikTok to politics.

These are home-working positions, and you will be flexible enough to operate on a shift system, with some weekend work arrangements. Candidates will need to be based in the UK to be considered for one of these roles.

An understanding of Wordpress would be an advantage.
