

GLOBAL SEO DIRECTOR

GRV Media is a high-growth, multi-platform new media company with a 20 year successful track record and 150 staff and content providers. Our own and partner sites achieved 478m page views in the last quarter of 2022, from 185m users.

We are looking for an exceptional SEO Director to oversee all of SEO across GRV Media's portfolio of media brands, which include HITC, The Focus, Reality Titbit, DualShockers and Freshered. The role requires the strategic capabilities and editorial knowledge to drive different strategies across multiple brands, adapting approaches where appropriate to meet the overarching ambitions of each website and GRV Media as a whole.

As Global SEO Director you will lead the editorial and content teams to create high-quality articles that will drive SEO traffic. And work with the Tech department to improve the technical health of our websites for optimisation across all brands to improve rankings.

To be a candidate for this role, you are a proactive, collaborative and lateral thinker and will have worked for a successful global publisher and have demonstrable experience in increasing traffic across multiple brands.

Main areas of responsibility:

- Leading the company's editorial SEO strategy and overseeing original, unique content to target search traffic
- Monitoring the performance of writers as it relates to SEO methodologies, content to ensure it adheres to best practice and editorial guidelines, and our brands' editorial performance with tools like Google Analytics and using this data to shape our content strategy
- Tracking the technical SEO health of each brand and implementing solutions
- Overseeing SEO analysis of all brands, ranging from keyword research to backlink audits to competitor analysis
- Working with different teams across the business, from commerce to marketing, to provide SEO feedback and boost rankings
- Helping to lead the development of website redesigns and potential migrations from an SEO perspective

Key skills:

- Previous experience working for a major publisher, or SEO consulting firm
- A proven SEO professional with a successful track record of commissioning content that drives search traffic
- Extensive experience using organic search management platforms (such as SEMrush, Google Search Console and Screaming Frog)
- Proficient in producing reports tracking SEO and content performance
- Proven track record of implementing SEO strategies that have delivered results
- Hands-on experience with Google Analytics
- Exceptional people management skills with a track record of sharing SEO knowledge and providing training
- Keen attention to detail and meticulous fact-checking
- Extensive knowledge of both technical and content optimisation
- An expert in keyword research, backlink analysis and data research
- Proven track record of identifying technical SEO issues and implementing solutions
- In-depth knowledge of web publishing and all major social media platforms

Benefits

- Taking the lead on interesting projects with interesting people
- A competitive salary depending on experience
- Discretionary bonus scheme
- Company Pension contribution
- A professional but friendly working environment
